

Back to Mother India

CHARITY CARMAN

Farewell to Rochester for six years! That's a long time, but Miss Carman is looking forward again to her missionary work at Karen Woman's Bible School in Rangoon, Burma. She brought these elephants, carved by hand from teakwood, home to No. 403 Lake Avenue more than a year ago. As a Lake Avenue Baptist Church worker, she spent five and a half years in Burma. She will leave Rochester Wednesday.
